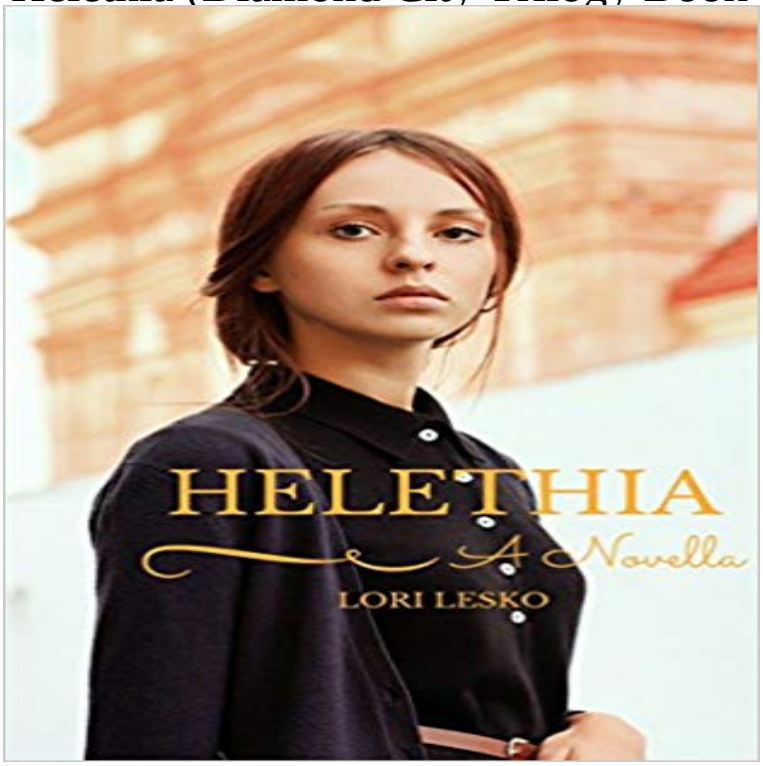
Helethia (Diamond City Trilogy Book 1)



The Year of our Rebirth 2440 stood for the time Councilwoman Alexandra and the 5,000 immigrants selected landed on a Diamond Citya group of women and children left to fend for themselves when the mens adjoining ship never arrived. It was then that Councilwoman Alexandra stated a cleansing of humanity would take placethat women were capable in a world without men. didnt need them. Men were called out for their legacy of wars, violence, their abuse against the weaker sex, and it was in actuality a blessing, from near extinction to a rebirth. Thats what Helethia was told. But, had it been the truth? From Author Lori Lesko (Copyright: A Novel and The Therapist), comes a galactic empire series you wont soon forget.
