

Robinson Crusoe - The Complete Adventures: Includes the 2 novels: Robinson Crusoe, and The Further Adventures of Robinson Crusoe - with an interactive table of contents

This edition includes the two novels: ROBINSON CRUSOE (1719) THE FURTHER ADVENTURES OF ROBINSON CRUSOE (1719) Daniel Defoe (1660-1731), born Daniel Foe, was an English trader, writer, journalist, pamphleteer, and spy. He is notable for being one of the earliest proponents of the novel, as he helped to popularise the form in Britain and with others such as Samuel Richardson, and thus is among the founders of the English novel. He was a prolific and versatile writer, producing more than five hundred books, pamphlets, and journals on various topics, including politics, crime, religion, marriage, psychology, and the supernatural. He was also a pioneer of economic journalism. Robinson Crusoe is the first novel Daniel Defoe wrote. The first edition credited the works protagonist Robinson Crusoe as its author, leading many readers to believe he was a real person and the book a travelogue of true incidents. Epistolary, confessional, and didactic in form, the book is presented as an autobiography of the title character a castaway who spends thirty years on a remote tropical island near Trinidad, encountering cannibals, captives, and mutineers before being rescued. Robinson Crusoe was well received in the literary world and is often credited as marking the beginning of realistic fiction as a literary genre. Before the end of 1719, the book had already run through four editions, and it has gone on to become one of the most widely published books in history, spawning numerous sequels and adaptations for stage, film, and television. The Further Adventures of Robinson Crusoe is the sequel to Robinson Crusoe. At its start, Robinson Crusoe is bored with his prosperity and consumed by an irresistible longing to return to the island he left many years before. Along with his trusty servant and companion, Friday, he embarks on a harrowing high-seas

adventure that takes them to China, over the Russian steppes, and into Siberia. These enthralling adventures are must-read of English classic literature and will delight readers of all ages. Complete edition, with a linked table of contents for an easy navigation. All ebooks published by Atlantic Editions have faultless layouts. They are hand-edited and checked for spelling and punctuation errors. Atlantic Editions was created by a reading lover who is proud to make classics available for all at very little price.
