

Runnin On E

Betrayal, deceit, drugs and envy all play a major role in this epic novel about an aspiring basketball star, Jermaine Waters, who finds himself incarcerated while deterred from his dreams and future on account of the company he has kept. His childhood friend No-Good, who is involved more into the street life, creates a life threatening situation that leaves him questioning the motives and loyalty of those in his life. As Jermaine sits in jail with his life on the line, older brother Jerome Waters goes on a wild manhunt involving shootouts and near death experiences through the streets of New Jersey searching for the one responsible for his brothers wrongful imprisonment. Who needs gas when youre Runnin on E
