

60 Hikes Within 60 Miles: San Diego: Including North, South and East Counties

Bounded by San Diego Bay and the Pacific coastline to the west, the Santa Rosa Mountains to the east, Mexico to the south, and the lower reaches of the Los Angeles metro area to the north, the 60-mile radius beyond San Diego creates a dramatic wedge of extraordinary natural beauty. Author Sheri McGregor shows hikers, experienced or novice, how to make the most of the many possibilities here.
