

## The Importance of Being Earnest and Other Plays

A universal favorite, *The Importance of Being Earnest* displays Oscar Wilde's theatrical genius at its brilliant best. Subtitled *A Trivial Comedy for Serious People*, this hilarious attack on Victorian manners and morals turns a pompous world on its head, lets duplicity lead to happiness, and makes riposte the highest form of art. Also included in this special collection are Wilde's first comedy success, *Lady Windermere's Fan*, and his richly sensual melodrama, *Salome*.
