

Fine Lines Summer 2016: Volume 25 Issue 2

In this quarterly publication, we share poetry and prose by writers of all ages in an attempt to add clarity and passion to our lives. Support is provided through donations, all of which are tax deductible. Join us in creating the lives we desire through the written word. Composition is hard work. We celebrate its rewards in each issue. Share this publication with others who love creativity. We encourage authors and artists of all ages. Our national mailing list reaches every state. Increased literacy and effective, creative communication is critical for all. Fine Lines editors believe writing of life experiences brings order to chaos, beauty to existence, and celebration to the mysterious.
