

Nova Scotia, 4th Edition

Here is a completely updated edition of the most successful illustrated guide to Canada's beautiful sea-coast province. In this fourth edition expert contributors share their knowledge of the province and its many attractions while offering independent advice about where to go and what to do. More than 400 beautiful, full-colour photographs show every part of the province at its best. Detailed chapters cover each region, from the picturesque Lighthouse Route to the Glooscap Trail and the rugged Cabot Trail. Visitors to Halifax will discover its rich heritage, landmarks, festivals and the best places to eat and shop. This guide shows you the best Nova Scotia has to offer - including spots you won't find in the official travel literature. Also included are helpful regional and Halifax-area maps, as well as detailed listings that offer information and recommendations on shopping, accommodations, dining, special events, and more.
