

## Problem at Pollensa Bay: And 7 Other Mysteries (Mystery Masters)

This spellbinding collection of short stories features three of Christies top sleuths: her two favorites, Harley Quin and Mr. Parker Pyne, and of course, her most famous creation, Hercule Poirot. Stories include The Love Detectives, featuring a murder in a library and not one but two confessed killers; Yellow Iris, in which a murder threatens to duplicate itself four years later; and six more.
