

At the Villa of Reduced Circumstances

Professor Dr. von Igelfeld Entertainment-Book 3The Professor Dr. von Igelfeld Entertainment series slyly skewers academia, chronicling the comic misadventures of the endearingly awkward Professor Dr. Moritz-Maria von Igelfeld, and his long-suffering colleagues at the Institute of Romantic Philology in Germany. Readers who fell in love with Precious Ramotswe, proprietor of The No. 1 Ladies Detective Agency, now have new cause for celebration in the protagonist of these three light-footed comic novels by Alexander McCall Smith. Welcome to the insane and rarified world of Professor Dr. Moritz-Maria von Igelfeld of the Institute of Romance Philology. Von Igelfeld is engaged in a never-ending quest to win the respect he feels certain he is due a quest which has the tendency to go hilariously astray. In *At the Villa of Reduced Circumstances*, Professor Dr. von Igelfeld gets caught up in a nasty case of academic intrigue while on sabbatical at Cambridge. When he returns to Regensburg he is confronted with the thrilling news that someone from a foreign embassy has actually checked his masterwork, *Portuguese Irregular Verbs*, out of the Institutes Library. As a result, he gets caught up in intrigue of a different sort on a visit to Bogota, Colombia.
