

North Carolina on My Mind: The Best of North Carolina in Words and Photographs (America on My Mind)

The natural splendor, historic cities, and warmhearted people of North Carolina come alive in this outstanding collection of color photographs. With the turn of a page, you can feel the tension as you witness a Civil War reenactment. You can smell the sea breeze as you stroll the beach at Cape Hatteras. You can hear the old-time fiddlers as they entertain crowds at a folk festival. And you can glimpse the vivid hues of autumn foliage as you drive the Blue Ridge Parkway. The photographs are complemented by the words and wisdom of perspective North Carolinians.
