

An essay on the American contribution and the democratic idea

[...]proportional to developing events. Lincoln, our most striking example, grew more between 1861 and 1865 than during all the earlier years of his life. Nor is the growth of democratic leaders, when seen through the distorted passions of their day, apparently a consistent thing. Greatness, near at hand, is startlingly like inconsistency; it seems at moments to vacillate, to turn back upon and deny itself, and thus lays itself open to seemingly plausible criticism by politicians and time servers and all who cry out for precedent. Yet it is an interesting and encouraging fact that the faith of democratic peoples goes out, and goes out alone, to leaders whowhatever their minor faults and failingsdo not fear to reverse themselves when occasion demands; to enunciate new doctrines, seemingly in contradiction to former assertions, to meet new crises. When a democratic leader who has given evidence of [...]
