

Anne Lisbeth

Anne Lisbeth was a beautiful young woman, with a red and white complexion, glittering white teeth, and clear soft eyes; and her footstep was light in the dance, but her mind was lighter still. She had a little child, not at all pretty; so he was put out to be nursed by a laborers wife, and his mother went to the counts castle. She sat in splendid rooms, richly decorated with silk and velvet; not a breath of air was allowed to blow upon her, and no one was allowed to speak to her harshly, for she was nurse to the counts child.
