

Arizona in Your Future: The Complete Guide for Future Arizonans: Job-Seekers, Retirees, and Snowbirds

This third edition of *Arizona in Your Future* is a comprehensive relocation guide to one of the fastest-growing states in America and the second most populous state in the West, after California. Completely revised and updated, with every listing rechecked for accuracy, it offers detailed information for relocating families, retirees, and snowbirds, or seasonal winter visitors. Written by award-winning guidebook writers Don and Betty Martin, it covers essentials such as climate, population trends, job opportunities, schooling, living costs, taxes, economic trends, medical facilities, and state laws -- just about everything the prospective newcomer needs to know. The book divides Arizona into three components: the state, the communities, and the attractions. The state section covers tax rates, automotive laws, and more, with chapters on schools and colleges, where to find jobs, and retirement communities. The communities section lists Arizona's 54 largest cities and towns, with locator maps and specific details on living and housing costs, hospitals and clinics, shopping, community services, and more. The attractions section is a mini travel guide listing the state's visitor highlights and recreational facilities area by area. Part employment guide, part Arizona directory, part welcome wagon, an excellent introduction. -- Travel Reference Library
