

CLAYHANGER FAMILY: The complete four novels. Clayhanger; Hilda Lessways; These Twain; The Roll-Call (Timeless Wisdom Collection Book 1175)

This volume contains the complete four novels of the series THE CLAYHANGER FAMILY, among the most important series of books written by this prolific and laureate writer. Though the series is commonly referred to as a trilogy, it actually consists of four books: Clayhanger; Hilda Lessways; These Twain; The Roll-Call They are a coming-of-age story set in the Midlands of Victorian England, following Edwin Clayhanger as he leaves school, takes over the family business, and falls in love. They are set in Bennetts usual setting of the 5 Towns, a thinly-disguised version of the six towns of the Potteries which amalgamated (at the time of which Bennett was writing) into the borough (and later city) of Stoke-on-Trent.
