

# The Extraordinary Adventures of Arsene Lupin, Gentleman Burglar [Classic Tales Edition]

Fine-art aficionado. Master of disguise. Jewelry expert. Historian. Gentleman. Burglar. Arsene Lupin is all of these and more. In 1905, Maurice Leblanc introduced his gentleman burglar in the story LArrestation dArsene Lupin. Shortly thereafter, the stories were collected as one single volume. In these charming adventures, Lupin orchestrates a myriad of extravagant heists in the very face of the determined Inspector Ganimard. With his sparkling wit, his sharp eye for detail, and his incredible gift of anticipation, Lupin carries off the most amazing thefts and never leaves a clue behind. And yet he is ever the embodiment of gentlemanly manners and old-school chivalry. Take these first adventures for a whirl, and witness how he measures up when he goes toe to toe with the redoubtable Sherlock Holmes himself!
