

## Another New Years Eve

Andy Palmer is home from Harvard for the holidays -- figuring on some much-missed family bonding time with his mother and sister. But when an ice storm prevents Andys furious sister from attending a New Years Eve party with her boyfriend, the entire Palmer family feels the loss of Andys dad -- the peacemaker, the one who knew all the answers.

**LEA SALONGA LYRICS - Its Just Another New Years Eve - A-Z Lyrics** Its Just Another New Years Eve Lyrics: Dont look so sad / Its not so bad you know / Its just another night / Thats all it is, its not the first / Its not the worst you know
