

The Beautiful and Damned - The Original 1922 Edition

This carefully crafted ebook: *The Beautiful and Damned - The Original 1922 Edition* is formatted for your eReader with a functional and detailed table of contents. *The Beautiful and Damned*, first published by Scribners in 1922, is F. Scott Fitzgerald's second novel. It portrays the Eastern elite during the Jazz Age, exploring New York Cafe Society. As in Fitzgerald's other novels, the characters are complex, especially with respect to marriage and intimacy. The book is believed to be largely based on Fitzgerald's relationship with Zelda Fitzgerald. *The Beautiful and Damned* tells the story of Anthony Patch, a 1910s socialite and presumptive heir to a tycoon's fortune, his relationship with his wife, Gloria, his service in the army, and his alcoholism. Francis Scott Key Fitzgerald (1896–1940) was an American author of novels and short stories, whose works are the paradigmatic writings of the Jazz Age, a term he coined. He is widely regarded as one of the greatest American writers of the 20th century.
