

Beyond Priscilla: The Play

Beyond Priscilla: The Play is an adaptation to the stage of Beyond Priscilla: One Man, One Gay Truck, One Big Idea by Daniel Withaus. It traces the 266-day Beyond That's So Gay National Tour and brings to life the LGBTI stories of regional and rural Australia. Gavin Roach's energetic adaptation offers audiences and readers a unique insight into how homophobia manifests itself across our social landscape, some twenty years after the movie Priscilla hit the silver screen. Beyond Priscilla: The Play premiered at Midsumma 2016. All proceeds from the play go to support the National Institute for Confronting Homophobia Education (NICHE). www.niche.org
