

Big Sur

Big Sur is a humane, precise account of the extraordinary ravages of alcohol delirium tremens on Kerouac, a superior novelist who had strength to complete his poetic narrative, a task few scribes so afflicted have accomplished...others crack up. Here we meet San Francisco's poets and recognize hero Dean Moriarty 10 years after *On the Road*. Jack Kerouac was a writer, as his great peer W.S. Burroughs says, and here at the peak of his suffering humorous genius he wrote through his misery to end with *Sea*, a brilliant poem appended, on the hallucinatory sounds of the Pacific Ocean at Big Sur. - Allen Ginsberg
