

A Summer in a Canyon

Set in a beautiful California canyon, Camp Chaparral is as glorious as its young inhabitants can make it -- with bedrooms of bright canvas, a game room, and a sky parlour high in a tree. Bell, Poly and Margery explore the woods, while their brothers, cousins and friends Geoffrey, Philip and Jack are out fishing and cavorting ... but Little Dicky! Where has he disappeared -- ? The author of Rebecca of Sunnybrook Farm offers this charming tale of youth and adventure in the sunny California of a more innocent time.
