

All 4 Da Doe 2

After finding out the identity of her blackmailer, Nina has decided to stay on a legal path, and build her rental property business. Although driven and still very ambitious, Nina has quickly begun engaging in dangerous activity due to the stress of her troubled past. Things still aren't easy as she struggles to protect her misguided baby sister Briana, as well as something even far more precious. More secrets are revealed; more lies uncovered and Nina finds herself questioning everyone for her own sake. Will Nina's own hands ultimately cause her fall or will someone else's. As the drama unwinds this time around, will Nina hold or fold?
