

## Blonde Bombshell

The year is 2017. Lucy Pavlov is the CEO of PavSoft Industries, home of a revolutionary operating system that every computer in the world runs on. Her personal wealth is immeasurable, her intelligence is unfathomable, and she's been voted Worlds Most Beautiful Woman for three years running. To put it simply - she has it all. But not everything is quite right in Lucy's life. For starters, she has no memories prior to 2015. She also keeps having run-ins with a unicorn. And to make matters even worse, a bomb is hurtling through interstellar space, headed straight for Lucy - and the planet known as Earth.
