

Grimms Fairy Tales (1000 Copy Limited Edition)

Grimms Fairy Tales is a collection of German fairy tales first published in 1812 by the Grimm brothers, Jacob and Wilhelm. They were among the best-known storytellers of folk tales, and popularized stories such as The Frog Prince, Hansel and Gretel, Rapunzel, Rumpelstiltskin, Little Red Riding Hood, and Snow White. The influence of these fairy tales was widespread. W. H. Auden praised the collection as one of the founding works of Western culture. The popularity of the Grimms collected folk tales has endured well. The tales are available in more than 100 languages and have been later adapted by Walt Disney, with films such as Snow White and the Seven Dwarfs and Tangled. This edition is limited to 1,000 copies.
