

Star Wars: The Jedi Path and Book of Sith Deluxe Box Set

This box set brings the light and dark sides of the Force together for the first time. The Jedi Path is the ancient training manual that has educated and enlightened generations of Jedi, including Yoda, Qui-Gon Jinn, Obi-Wan Kenobi, and Luke Skywalker. They have handwritten their comments into this text, the only remaining copy in existence. Book of Sith is a compilation of six legendary dark texts gathered and bound together by Darth Sidious, and featuring comments from Darth Vader, Mace Windu, Darth Maul, and others. This deluxe edition contains an exclusive portfolio with two prints, each depicting a prominent figure from either side of the Force. With these two titles, students of the Force can study and more fully understand the complex powers of good and evil.
