

Worth Any Price: Number 3 in series (Bow Street series)

What is the price of love? Nick Gentry is reputed to be the most skilful lover in all England. Known for solving delicate situations, he is hired to seek out Miss Charlotte Howard. He believes his mission will be easily accomplished - but that is before he meets the lady in question. For instead of a wilful female, he discovers one in desperate circumstances, hiding from a man who would destroy her very soul. So Nick shockingly offers her a very different kind of proposition - one he has never offered before: he asks her to be his bride. But Nick quickly discovers that while he might easily claim Charlotte's body, it will take much more than passion to win her love.
