

Shadowplay

You are a police officer. This is what you do. You speak for the dead, and the desperate living. When Anna Cameron is promoted to Chief Inspector and moved to a new division, it should be a turning point for her. But if she thought having a female boss would make things easier, she reckoned without the fearsome JC Hamilton. Then her mother goes into a coma in a foreign country and an old woman disappears from a Glasgow care home under suspicious circumstances, and Anna's career and personal life both threaten to implode. The gang-related murder of a young Asian boy and an assault on one of her officers only serve to turn the screws tighter - can Anna be both a good cop and a good person?
