

The Tale of a Naughty Little Rabbit.

There aren't many stories about naughty rabbits. That's because rabbits usually know how to behave themselves. But not this one. This is the story of a very naughty little rabbit who becomes quite fat after sneaking under a gate, and stumbling into a huge vegetable patch. This is the story of Peter Rabbit. Unfortunately for Peter, he also stumbles across a very grumpy farmer and loses his shoes, his coat and his way as he tries to escape back through the gate. Will he make it home? This lovely picture book introduces a new generation of readers to the escapades of the most famous rabbit ever! There is so much fun to be had reading this book, with lots of giggles and surprises for 1-4 year olds.
