

Kathi Macias 12 Days of Christmas - Volume 4 - Heavenly Haven

Avalanches happen to other people, not us. Marital problems happen to other people, not us, especially nine days before Christmas. At least that's what Jack and Avery Burke thought. Married for ten years, avalanche control expert Jack, and ski pro Avery, only wanted to celebrate their December anniversary in a romantic way, until the shifting snows on the mountain bring havoc tumbling down upon them. Can they find renewed love in a heavenly haven of snow? Irish-born Christine Lindsay writes multi-award-winning inspirational historical novels. Her great-grandfather and grandfather both worked as riveters on the Titanic. Several more of her ancestors served in the British Cavalry in India, seeding Christine's long-time fascination with Colonial India, and became the stimulus for her series *Twilight of the British Raj*. In her novels, *SHADOWED IN SILK* and *CAPTURED BY MOONLIGHT*, Christine delights in weaving the endless theme of God's redemptive love throughout stories of danger, suspense, adventure, and romance. The Pacific coast of Canada, about 200 miles north of Seattle, is Christine's home. Like a lot of authors, Christine's chief editor is her cat.
