

Trust: The Hero Chronicles (Volume 2)

--This book was written for junior high/high school age readers as well as all who are young at heart--Nicholas Keller has come to terms with his Thasian heritage and has finally achieved some normalcy in his life. But when new neighbors move in next door at the beginning of his junior year, everything changes. He is launched into an impossible search, uncertain of who to trust, and this time it's not just his own life that hangs in the balance; it's the lives of countless others and everyone he loves.
