

COMMANDO: Operation Cannibal (Volume 3)

The sands of the North African desert run red with blood as the British Eighth Army battles against the German Afrika Korps. While preparing for a major offensive, the British learn of an enemy raiding unit operating in the deep desert, attacking supply convoys and endangering vital reconnaissance patrols. Corporal Lynch and his companions find themselves part of a strike force of Commandos and men from the Long Range Desert Group. Their mission: drive deep into the Libyan desert, find the enemy raiders, and wipe them out in a storm of lead. But when the Commandos discover a nest of Egyptian spies with ties to German Intelligence, has their mission been compromised before it even begins? Will the Commandos find the enemy raiders, or will the hunters become the hunted? The desert is as dangerous as any enemy in this, the third book in the COMMANDO series of military action-adventure novels written in the spirit of classic war movies and wartime adventure pulp fiction.
