

Breathless: Wrath & Righteousness: Episode Four

It really grips you. I lost a lot of sleep reading it. Tim LaHaye, co-author of the LEFT BEHIND series THE WORLD CHANGES IN A FLASH I want you to tell the president something for me. He has seven minutes. That is all. Seven minutes from now. I hope they are able to evacuate him before it happens, for I want him to see the death and destruction that he has caused. That is the only reason I am calling. I genuinely want him to live. I want him to see the downfall of his nation, the great whore of the earth. I want him to see his great city after it has been turned to black ash. The epic battle continues with an episode that will leave you breathless. A coordinated attack on Israel's government creates chaos in Jerusalem, but that is only the beginning. As the Israelis respond it becomes evident that they've been set-up in the most ruthless way imaginable. With the world turned against them, the Israelis turn to the U.S. for help but Saudi King Abdullah is already two steps ahead. After unleashing the final piece of his plan, it is no longer a question of whether America wants to save Israel, but whether they can save themselves. Against the backdrop of torn-from-the-headlines Middle Eastern drama, the Wrath & Righteousness series is a fast-paced thriller that explores man's role in the eternal battle between good and evil. Chris Stewart is the New York Times bestselling author of several books, including The Miracle of Freedom. He is a world-record-setting Air Force pilot (fastest nonstop flight around the world) and president and CEO of The Shipley Group, a nationally recognized consulting and training company.
