

## Cecile Is Dead: Inspector Maigret, Book 20

A new translation of this moving novel about the destructive power of greed. Poor Cecile! And yet she was still young. Maigret had seen her papers: barely 28 years old. But it would be difficult to look more like an old maid, to move less gracefully, in spite of the care she took to be friendly and pleasant. Those black dresses that she must make for herself from bad paper patterns, that ridiculous green hat! In the dreary suburbs of Paris, the merciless greed of a seemingly respectable woman is unearthed by her long-suffering niece, and Maigret discovers the far-reaching consequences of their actions. This novel has been published in a previous translation as *Maigret and the Spinster*. Georges Simenon was born in Liege, Belgium, in 1903. Best known in Britain as the author of the Maigret books, his prolific output of over 400 novels and short stories have made him a household name in continental Europe. He died in 1989 in Lausanne, Switzerland, where he had lived for the latter part of his life.
