

My Husbands Other Women 4 (Volume 4)

A Cheater will always cheat. A liar will always lie and then wonder why their life is so bad! My Husbands Other Women 4 picks up right where it left off in part 3. The novel starts out at the engagement party of James and Misty. The way these lives are intertwined brings everyone together for this special occasion. When you put the ex-wives and a mistress in the same room, there's bound to be some drama. Asia has graduated high school and enrolled in college. Although time has passed, her maturity level remains the same. When she sets her eyes on a new lover, it causes other people to do things that they normally wouldn't do. Janice is in love with Quentin and he is in love with her. But that doesn't mean anything to Asia Roberts. Janice has to decide if she's going to fight for what she wants. Will she do the unthinkable to hold on to Quentin? Rayvon is neatly locked away serving his ten-year sentence for having an inappropriate relationship with one of his students. Doing time was never a part of his plans. When he is faced with his first confrontation, an unexpected friend steps in to keep him safe. Rayvon will soon be taught that everyone that you fight is not your enemy and everyone that helps you is not your friend.
