

## Tom Swift and His NanoSurgery Brigade (The TOM SWIFT Invention Series Book 17)

In the 17th novel in the new series, Tom Swift's father is diagnosed with an inoperable brain tumor that will eventually kill him. But, Tom won't take that for a final answer. Working with the company's physician, Doc Simpson, he works to devise a way to get into an inaccessible part of the human brain to operate and get back out again without doing other damage. The solution he comes up with, and the people he finds to help, will amaze you.
