

## The Lonely Voyage

The Lonely Voyage is John Harris first novel - a graphic, moving tale of the sea. It charts the story of one boy, Jess Ferigo, who winds up on a charge of poaching along with Pat Fee and Old Boxer, the men who sail with him on his journey into manhood. As Jess leaves his boyhood behind, bitter years are followed by the Second World War, where Old Boxer and Jess make a poignant rescue on the sand dunes of Dunkirk. Finally, Jess Ferigos lonely voyage is over.
