

The Divine Comedy: Volume 3: Paradiso (v. 3)

The radiant climax to Dantes awe-inspiring epic, in a definitive new translation Having plunged to the utmost depths of Hell and climbed Mount Purgatory in the first two parts of The Divine Comedy, Dante now ascends to Heaven, guided by his beloved Beatrice, to continue his search for God. As he progresses through the spheres of Paradise, he grows ever closer to experiencing divine love in the overwhelming presence of the deity. Examining eternal questions of faith, desire, and enlightenment, Dante exercised all of his learning and wit, wrath and tenderness in his creation of one of the greatest of all Christian allegories. This edition prints Robin Kirkpatrick's impressive new translation alongside Dantes original Italian.
