

A Dark World: THRILLER Story Collection

This book contains a collection of 5 of the best horror/action/thriller short stories by J. O. Osbourne

1) MORE THAN ANOTHER EPISODE OF LEVERAGE It was the middle of summer at a famous club in Hollywood. Everyone was partying to techno music, so much so that they couldn't hear tragedy looming on the horizon. A silent gunshot hurled into the distance, leaving 34-year old Harry Dimo dead as he tries to escape into his car. Harry, being a secret informant was going to expose the 70-year-old shooters plan to undermine the government of some secret that would supposedly undermine the working class of what other freedoms they still had left. This led to him disposing of Harry and countless others by triggering a double explosion that left a giant sink hole in the center of Hollywood.

-----2) BLUE DAY KILLER Three friends go on the trek of their lives through the desert, passing a veteran killers path. Their quest leads them to a 20-year vacant house, unknowingly at first, the home of the notorious Blue Day Killer, known for killing his victims and bewitching them in the clear, blue light of day.

-----3) JUST YOUR ORDINARY WORKING FAMILY MAN Gerald is sentenced to a dreadful two days under the knife of a cruel thirty year surgeon who has this plan to take his dead body in secret back to his cellar and perform scientific experiments on his corpse. A wife's two nearly-fatal collapses and a retaliation effort by fellow nurses and a barrage of police seals the deal and gets the surgeon thrown in prison. Meanwhile, the family is treated and brought back home to live a somewhat normal life in the shadow of newly found horror.

-----4) AN END TO THE
CONTINENT. A local group the Golden
Kings are to perform down at the stadium
when the quake hit, sending people
toppling over. A whole top row of people
go down through the opening side-walk
that clicks and cracks that the magnificent
earthquake managed to swallow and topple
over into uncertainty.

-----5) MUSIC OF DEATHA deranged,
psychotic fifty-five year old man is on the
loose after having his house foreclosed on
and he is sent on an uncertain path to a
faraway hotel. After some subsequent
injuries, he is rushed to the hospital. After a
stint of rather violent dreams and nonstop
treatment he is released.
