

## A Deadly Distance (Jack Noble #2)

Washington, D.C. Midday. A man waits at a bus stop, his intentions unknown. Two government operatives have been stalking him for days, waiting for him to make his move. Unexpectedly, the man takes off running and heads for a deserted warehouse. Jack Noble and his partner, Frank Skinner, believe the man to be part of a terrorist organization that is involved in smuggling drugs and guns and men into the country. But it turns out their plan involves far more export than import, and hits a lot closer to home. As the case unfolds, the man behind it all reaches out to Jack with a simple message... 37 hours. This fast-paced suspense thriller by USA Today bestselling author L.T. Ryan will keep you up late into the night as Jack races to stop the conspiracy before it claims his life. Fans of Tom Clancy, Lee Childs Jack Reacher, Vince Flynn's Mitch Rapp, and Robert Ludlums Jason Bourne will enjoy Jack Noble.
