

Sexiest Man Alive (Knight Fashion) (Volume 1)

Nathan Cross is a struggling actor waiting tables at a local restaurant to make ends meet while he attends endless auditions. Though his hopeful career moves at a slow pace, Olivia is the strength and sunshine in his life until she leaves him. One day, he is offered a contract with a modeling agent, leading him to work for Knight Fashion Magazine a dream job he never imagined would become a reality. Olivia swore she would always put her career first and that's precisely what she did when she left Nathan. Having a deadbeat dad and watching her mom work two jobs to make ends meet have been her driving force. When she is offered a modeling career, she drops everything even the love of her life and moves to New York. Though Nathan and Olivia try to steer clear of one another, working for the same fashion magazine causes their paths to cross again and old emotions are awakened. Can Nathan forgive Olivia or will he take the next step with the woman he is currently dating? Will Olivia do everything she can to break them apart? Or will she choose her career over her heart again?
