

Peru (Eyewitness Travel Guides)

Whether you are planning to visit a city, a region or a country, DKs foolproof Eyewitness approach makes learning about a place a pleasure in itself. All the traditional guidebook subject matter is covered-descriptions of sights, opening times, hotels, restaurants, shopping, entertainment, phrase books etc- but, with the help of specially commissioned illustrations and maps, DK makes essential information easy to access and quick to absorb. No other guides explain the history of a place as clearly in words and pictures. DK Eyewitness Travel Guides-the best guides ever created. Continuing to expand our South American coverage, this beautifully illustrated Eyewitness guide will be the premier travel book to Peru, with complete coverage of Lima, the Amazon Basin, and, of course, Machu Picchu. Whether your interests lie in floating on Lake Titicaca, watching the condors soar at Colca Canyon or experimenting with South American cuisine, DK Eyewitness Peru will help you find the essence of the Andes.
