

## Doctors of Rittenhouse Square Trilogy

Meet the doctors: Marc DiStefano ~ A top-notch gynecologist with a playboy reputation, Marc DiStefano is finally looking to settle down. He sets his sights on Kate Warner, a career-driven woman who doesn't believe in love--and that's when the problems begin. Samantha Winters ~ When burnt-out family physician Samantha Winters trades her big-city career for a rural clinic, she figures it's a temporary gig. Falling for the local golden boy is not on her agenda. Alex Kane spent years building his company and raising his sister's orphaned kids. Now he's ready to cut loose and have some fun. Too bad the new doc isn't interested...or is she? Isabelle DiStefano ~ When a senseless act of violence shatters her perfect world, Dr. Isabelle DiStefano struggles to rebuild: new life, new job, new man. But sometimes the past can be hard to let go of, especially when old flame Luca Santoro decides he wants her back...this time, for keeps. Three stories of love, loss, recovery, and second chances. Enjoy all three books--Pursued by the Playboy, Taking a Chance, and This Time for Keeps--in one thrilling collection. The Doctors of Rittenhouse Square.
