

## Homemade Christmas Gifts and Crafts - Make beautiful green crafted gifts, table decor and more (The Christmas Holiday Guide To Upcycling Book 2)

Bring some upcycling and recycling magic to your craft table this Christmas! The Christmas Holiday Guide to Upcycling Part 2 is an awesome reference and project guide for holiday themed projects. Learn how to make lots of table decor items and gifts using soda cans and plastic packaging. Enjoy step-by-step instructions to make Christmas themed projects! You will not believe the amount of projects that can be completed using very simple and easily accessible materials. Choose this Christmas to share upcycling joy with your family. Include children and other family members to make this a truly memorable crafting experience. You will find the instructions well illustrated and easy to follow. Make gifts for everyone on your list for pennies and make them look like a hundred bucks! The compliments I have received on these projects are numerous and from varied sources. People really find it hard to believe that the item used most is a soda can! Napkin Rings, Table Mats, JEWELRY, albums and more! You will be able to make napkin rings, table mats, place cards, jewelry, albums and much much more. Become a green artist and crafter and join the upcycling revolution today :) That is not all! Learn the techniques presented and add your own twist to make cards, bags and other craft projects. There is no end to the applications possible.
