

A Gift of Thought (Tassamara Book 2)

Sylvie swore she'd never go back to Tassamara. She was wrong. At seventeen, Sylvie Blair left her infant son with his grandparents while she went shopping. She never returned. Twenty years later, she's devastated to learn of his early, untimely death. But although Dillon's body is long since buried, his spirit lingers on. And he's not real happy. He doesn't like his mom's job too dangerous. He doesn't like her apartment too boring. And he definitely doesn't like her love life non-existent. But when Dillon decides that his parents should be living happily ever after, he sets them on a path that leads deeper and deeper into danger. Can Sylvie let go of the past and embrace the future? And can Dillon survive the deadly energy he unwittingly unleashes?
