

Bootlegger Haze (The Saga)--Book One -- Also Read Bootlegger Haze (The Legacy)--Book Two, Trouble Down South and Other Stories, and Mo Trouble Down South (Bootlegger Haze Series 1)

The Bootlegger Haze Series is a special two-part ebook series by southern and historical fiction author, Katrina Parker Williams. Bonus features included in the series: a southern terminology definition list and favorite bootlegger recipes from some of the main characters--August, Buford Tee, Ton Stone, Miss Carmelia, Martin, and Myra Jaye. Bootlegger Haze -- Book One (The Saga) is the first installment of a southern family saga, set in the mid 1800s and spanning more than 50 years, that is sure to take you on an historical adventure of unrequited love, murder, and mayhem. We are introduced to a colored bootlegger, Buford Tee Jefferson, known for selling the best whiskey in Jones County, Mississippi. Buford Tee learns his craft from his grandfather, August Jefferson, who takes him in as a child and raises him after the murder of his mother. We meet the rest of Buford Tees family and follow him on his journey to become the most revered colored bootlegger in Mississippi. We also meet his love interest, Miss Carmelia Faye Lafayette, who gives as good as she gets. She is by no means a pushover, and the two of them run two of the most successful juke joints in Jones County. In the second installment, Bootlegger Haze Book Two (The Legacy), we meet Buford Tees rival, Morris York, a white bootlegger who hates him for drawing away his customers that favor Buford Tees top-notch whiskey to Yorks watered-down hooch. Yorks resentment is also fueled by his recollections of his stepfathers infidelity with Buford Tees mother, Marie Claire Jefferson, a union which resulted in the birth of Buford Tee. York believes his mother, who dies shortly after discovering the affair between her husband, Winston, and Marie Claire, died of a broken heart. As a result, York sets out to destroy Winston. Buford Tee is also on his hit list, although others close to him suffer his

wrath. A series of mishaps, misunderstandings, and a neighbors mistaken identify leads to the deaths of Yorks love-struck, teenaged daughter, and Buford Tees adopted son. The teens are caught up in a battle between Yorks flunkies and Buford Tees posse, both vying for control of the lucrative moonshine business, the consequences of which bring devastation to the small southern town.
