

The Picture of Dorian Gray - Full Version (Annotated) (Literary Classics Collection Book 37)

The Picture of Dorian Gray, by Oscar Wilde, is part of the Literary Classics Collection, which offers quality editions at affordable prices to the student and the general reader, including new scholarship, thoughtful design, and pages of carefully crafted extras. Here are some of the remarkable features of the Literary Classics Collection: - New introductions commissioned from today's top writers and scholars - Biographies of the authors - Chronologies of contemporary historical, biographical, and cultural events - Footnotes and endnotes - Selective discussions of imitations, parodies, poems, books, plays, paintings, operas, statuary, and films inspired by the work - Comments by other famous authors - Study questions to challenge the reader's viewpoints and expectations - Bibliographies for further reading - Indices & Glossaries, when appropriate. All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. The Literary Classics Collection pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader's understanding of these enduring works. Oscar Wilde's story of a fashionable young man who sells his soul for eternal youth and beauty is one of his most popular works. Written in Wilde's characteristically dazzling manner, full of stinging epigrams and shrewd observations, the tale of Dorian Gray's moral disintegration caused something of a scandal when it first appeared in 1890. Wilde was attacked for his decadence and corrupting influence, and a few years later the book and the aesthetic/moral dilemma it presented became issues in the trials occasioned by Wilde's homosexual liaisons, trials that resulted in his imprisonment. Of the book's value as autobiography, Wilde noted in a letter, Basil Hallward is what I think I am: Lord Henry what the world thinks me:

Dorian what I would like to be--in other ages, perhaps.
