

Frommers The Carolinas & Georgia (Frommers Complete Guides)

Now with updated and expanded cultural information, Frommers The Carolinas and Georgia 9th Edition is an unbeatable guide to some of the South's most popular places to visit, stay, and play. Our guide ranges from popular parks (Great Smoky Mountain) and fabulous beaches (the Outer Banks) to historic cities (Charleston) and must-see major metropolises (Atlanta). Travelers get the scoop on festivals, sporting events, and new attractions such as the Billy Graham Library, opened in June 2007, and the NASCAR Hall of Fame, due to be opened in Charlotte in 2010. Our book also comes complete with an indispensable foldout map.
