

La educacion sentimental / Sentimental Education (Penguin Clasicos) (Spanish Edition)

Los mejores libros jamas escritos.No leais La educacion sentimental como los ninos: por diversion; ni por instruccion, como los ambiciosos. Leedla para vivir.Gustave FlaubertLa historia de un ambicioso joven de provincias que se enamora de una mujer casada sirvio a Flaubert para crear uno de los hitos estilisticos de la literatura universal, La educacion sentimental (1869), quiza su obra maestra, sin duda una de las novelas mas perdurables de todos los tiempos.En la cubierta del barco que le lleva de Paris a su ciudad natal, Frederic Moreau se quedara prendado de la belleza de la senora Arnoux. Este sera el punto de arranque de las tribulaciones de un joven que suena con alcanzar fama y fortuna y que, de regreso a Paris, frecuentara al senor Arnoux para estar cerca de su secreto amor. Todo ello tendra lugar en un escenario esplendoroso, el Paris de mediados del siglo XIX, la capital de la burguesia emergente, donde la intensidad del placer se mezcla con el inevitable tedio y el resplandor de uno de los periodos cruciales de la historia europea: la revolucion de 1848.Esta edicion, que presentamos en una traduccion coetanea -modernizada- que conserva todo el vigor del original, se abre con un estudio de Pierre-Marc de Biasi, reconocido experto en la obra de Flaubert. A modo de apendice se facilita una cronologia de la redaccion de la novela, campo recurrente, el de la genetica textual, para comprender las cotas de perfeccion que alcanzo el autor.Todas las calles conducian a su casa; los coches se estacionaban en las plazas, unicamente para ir alla mas deprisa. ENGLISH DESCRIPTION One of the great French novels of the 19th century Based on Flauberts own youthful passion for an older woman, Sentimental Education was described by its author as the moral history of the men of my generation. It follows the amorous adventures of Frederic Moreau, a law student who, returning home to

Normandy from Paris, notices Mme Arnoux, a slender, dark woman several years older than himself. It is the beginning of an infatuation that will last a lifetime. He befriends her husband, an influential businessman, and as their paths cross and re-cross over the years, Mme Arnoux remains the constant, unattainable love of Moreaus life. Blending love story, historical authenticity, and satire, Sentimental Education is one of the great French novels of the nineteenth century. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
