

## El Eco (The Reverberator) (Spanish Edition)

The Reverberator is a short novel by Henry James, first published as a serial in Macmillans Magazine in 1888 and then as a book later the same year. Accurately described by the leading web authority on Henry James as a a delightful Parisian bonbon, this graceful comedy traces the complications that result when nasty but true stories about a Paris family get into the American scandal sheet of the novels title. La obra posee traducción unica al espanol.
