

Erskine Dale

[...]before when that elder brother came home from his first pioneering trip into the wilds, to tell that his wife was dead and their only son was a captive among the Indians. Two years later still, word came that the father, too, had met death from the savages, and the little kingdom passed into Colonel Dales hands. Indentured servants, as well as blacks from Africa, had labored on that path in front of him; and up it had once stalked a deputation of the great Powhatans red tribes. Up that path had come the last of the early colonial dames, in huge ruffs, high-heeled shoes, and short skirts, with her husband, who was the head of a hundred,[...].
