

## Always & Eternal

WOULD YOU BE WILLING TO DIE FOR LOVE? Aidan Fischer was on the path to nowhere fast. His father and brothers were career criminals. Hed had a couple of scrapes with the law himself, yet despite the fact everyone in his life had given up, Aidan still had dreams. Dreams that one day hed find his place in the world and be a rockstar. Dreams that hed buy a nice house for his mum and sister and write songs the world would want to sing. Eloise Fairchild had dreams too. She dreamt of becoming a prima ballerina. She longed for the kind of love and affection no amount of money could buy. She prayed for a mother who wasnt emotionally unavailable and a father who cared about more than how well she could dance and if she were top of her class. From the moment Aidan and Eloise met, things were destined to get tricky. Their unlikely friendship swiftly turned to love; a love so intense they couldnt bear to be apart; so powerful they sealed it with a pact made in blood and smeared it across the side of a wishing well always and eternal. But would love be enough to save them from the darkness?
